Out of District Fee (O/D)

Customers that are not located in the District shall be charged a fee in lieu of taxes. The Out-of-District fee shall be computed using the Galveston CAD land and improvements value X's the District's current tax rate, plus 10%. This amount will be divided by twelve (12) months and be included on their monthly bill. The District's tax exemptions shall be subtracted from the land and improvement value
